Introduction

- 1 Alderbrook School receives an annual allocation of 16-19 Bursary Funds from the Education & Skills Funding Agency (ESFA) to assist young people who face the greatest barriers to continuing in education or training post 16. This policy sets out the arrangements for how Alderbrook School will administer and allocate the 16-19 Bursary Fund in 2018-19.
- 2 The school is committed to ensuring the Fund is used to support financially disadvantaged young people taking up or continuing in their education post 16 and achieving their learning aims.

Student Eligibility

The 16-19 Bursary has two types of award:

- 3 Students in the 'vulnerable group' as defined by the ESFA (i.e. young people in care, care leavers, young people in receipt of income support and disabled young people in receipt of Employment Support Allowance who are also in receipt of Disability Living Allowance) will be eligible to receive a Vulnerable Bursary Award of up to £1,200 per year. This is paid directly by the ESFA to the school.
- 4 The school may also make individual Discretionary Bursary Awards that best fit the needs and circumstances of our students. Bursary awards will be targeted towards students facing financial barriers to participation and achievement, such as the costs of examinations, trips and visits, meals, books or equipment etc.
- 5 The fund from which Discretionary Bursary Awards can be made is a finite amount and the school retains the right to hold a proportion back in order to respond to exceptional or circumstantial in year changes.
- 6 To be eligible to receive a bursary students must be:
 - a. Aged over 16 and under 19 on 31 August in the academic year in which they start their course
 - b. Resident in the EU for 3 years or more
 - c. Enrolled on full time AS and/or A level courses
 - d. On a means-tested benefit, or a dependant of parents who are on a means-tested benefit (we will use eligibility for Free School Meals (FSM) in the first instance), in financial hardship or in the 'vulnerable group' as defined by the ESFA above.

Application and Assessment Procedure

- 7 All applications for the Alderbrook School 16-19 Bursary Fund Application must be completed using the school application form (see Appendix 1).
- 8 Students who are applying for the Vulnerable Bursary Award must be able to provide evidence that demonstrates they meet the eligibility criteria set out above to receive an award up to £1200 p.a.
- 9 If students are applying for a Discretionary Bursary Award they must be able to provide evidence that demonstrates their parents/carers are in receipt of a means-tested benefit and/or that they are in financial hardship. We will use our discretion to make awards to students in ways that best fit their needs and circumstances.

- 10 Priority for these discretionary awards will be given in the first instance to those students eligible for Free School Meals. All eligible students are encouraged to apply for FSM as soon as possible.
- 11 It is our intention to inform all applicants of the outcome of the assessment of their application within two weeks of submitting their completed application form. They will receive written confirmation of the outcome.
- 12 Please note: the Bursary Fund is a finite amount of money and will be distributed according to need in the fairest way possible. The value of any Discretionary Awards will depend on the total demand on the Fund. A portion of the Fund will be retained for contingency i.e. claims later in the year. The school also retains the right to use up to 5% of the total fund in order to cover administration costs.

Payments

Vulnerable Bursary Awards

- 13 Following a meeting with a member of the sixth form team and the finance team, where we will discuss priority payments needed up front, e.g. travel costs to school or equipment costs, we will then organise the remainder to be paid weekly at a rate determined by the number of weeks in the A level course.

Discretionary Bursary Awards

- 14 A significant portion of the total fund will be awarded on a discretionary basis to any individual student in genuine financial hardship for specific benefits. Such benefits might include resit fees, UCAS fees, train tickets to open days, equipment for studies, clothing, educational trips etc. The funds can be used to pay for the benefit directly or to reimburse an expenditure supported by a receipt (see Appendix 2).
- 15 Payment of any Bursary will be conditional on students meeting certain income eligibility criteria as well as maintaining high standards of attendance, behaviour and effort. See Appendix 3 for Agreement with school – Attendance, Behaviour and Effort.
- 16 Examples of acceptable supporting evidence for the Discretionary Bursary are:
 - a. A full T602E Tax Credit Award Notice (TCAN) for all the adults in the young person's household. This document from HM Revenue & Customs details entitlement to Tax Credits and shows the total income for the year.
 - b. Other Income Support or Universal Credit award letters that show evidence of income.
 - c. P60 End of Year Certificate for all adults in the young person's household who contribute to household costs. This certificate is a statement of earnings from an employer. It must be for the correct adult(s) and for the most recent Tax year end. The income will be shown as Total for the Year.
 - d. Payslips from the previous 3 months for all adults in the young person's household.
 - e. Self-Assessment Tax Calculation (SA302). This is the equivalent of the P60 for self-employed people. It must be for the correct adult(s) and for the most recent Tax Year end. The income will be shown as Total for the Year.
 - f. Evidence of other benefits, pension awards etc.
 - g. Confirmation from the Local Authority of entitlement to Free School Meals (FSM).

- 17 To receive bursary payments students must have a bank account in their own name that will accept BACS payments (it is not possible to make BACS payments into a post office account). If students do not have a bank account, they will need to apply to open one. If there is a delay in setting up a bank account that will result in further financial hardship it may be possible to make interim payments in exceptional circumstances. In this case, the student plus one parent/carer will be required to attend a meeting with the Finance Officer. Both student and parent/carer will be required to sign for the receipt of interim funds.
- 18 Any books, reference materials and non-consumable equipment funded by the Bursary remain the property of Alderbrook School and must be returned to Alderbrook School at the end of the course, or before if students leave early.
- 19 The payment of a Discretionary Bursary is subject to the availability of funds and any Bursary awarded to support students whilst you are on a course, does not guarantee support for any subsequent courses.
- 20 Students will be required to repay any overpayments resulting from early withdrawal from a course or change in circumstances.

Records and Data Protection

- 21 Staff involved in administering the 16-19 Bursary will comply with Alderbrook School's policy on the storage and transfer of information supplied in the course of application and payment of funds.

Fraudulent Claims

- 22 We must protect public funds from the possibility of fraudulent claims. We will ask for detailed information to prove eligibility so we can distribute funds fairly. If a claim is considered fraudulent during our spot checks or auditing processes we will request that the money awarded is repaid in full. If a student fails to repay the award, court action may be taken.

Appeals and Complaints

- 23 If an application is unsuccessful, students have the right to appeal against the decision; they may also appeal about the amount or type of award by writing to the Head teacher. The letter should clearly state why they feel the award should be reconsidered. They may be invited to provide additional information or invited to discuss individual circumstances as part of the appeal.

Appendix 3

Agreement with the School - Attendance, Behaviour and Effort

The 16-19 Bursary is paid on condition that students meet certain conditions. The following procedures explain what is expected from the student and the school.

Students are expected to:

- Attend at least 95% of lessons, Private Study periods and registrations as detailed on timetables.
- Ensure they are punctual to all lessons and register their attendance.
- Meet standards of effort, appearance and behaviour as agreed to in the Sixth Form Handbook.
If students receive an information or negative referral regarding poor behaviour or poor effort they will not be eligible for the Bursary payment that week if in receipt of the weekly bursary or if students are not paid weekly the opportunity to access bursaries in the future may be withdrawn.
- Follow the school absence procedure.
- Present proof of attendance for payment within 2 weeks.

It is the student's responsibility to notify the school of the reasons for any absences, preferably before they occur (in the case of driving test, medical appointments that can't be made outside of school hours etc.) or as soon as possible after the absence. Any absences not accounted for within the 2 week time scale will result in a non-payment for that week if the bursary is paid weekly.

- If a timetable changes over the course of the year and this affects the number of guided learning hours students must inform the Director of Sixth Form immediately as this may affect eligibility.

Alderbrook will:

- Keep records of attendance, using Lesson Monitor.
- Monitor your attendance and any absence. You will be informed of the possibility of non-payment due to unaccounted absence before the payment is due.
- Let students know within a reasonable time if your payment has been stopped.
- Respond to any queries or problems that you wish to discuss about the Bursary. Any disputes about non-payment should be addressed in the first instance to your Head of Year/Director of Sixth Form.

Getting permission for an absence (authorised absence)

It is understood that there is very occasionally a reason why students may need to apply for permission to be absent. It is up to the school to agree with this planned absence and if agreed in advance of the absence, then the Bursary payment will not be affected. Students must provide the Bursary Co-ordinator with a note in advance of this absence. The following list gives examples when a permission may be granted on a limited basis:

- Specialist medical appointment which cannot be arranged outside School hours.
- Official University/College/Employer interview or visit. Seek permission beforehand.
- Work experience placement.
- Participation in a significant extra-curricular event e.g. County/Regional sports events.
- Driving test (theory or driven) - but NOT driving lessons.
- Official Religious observance.
- Other events at the discretion of the Head teacher arranged in advance.

Other kinds of absence (unauthorised absence)

Bursary is given on condition of at least 95% attendance. The following reasons for absence would not generally be acceptable:

- Holidays
- Part or full time work which is not part of your programme of study
- Leisure activities
- Birthdays, weddings or similar celebrations
- Babysitting younger siblings
- Shopping
- Driving lessons
- Being late
- Missed buses (except in unavoidable circumstances such as buses not turning up due to extreme weather, traffic accidents, etc.).

Where an absence genuinely could not be foreseen in advance, you should nevertheless make arrangements to tell the school/college as soon as possible on the day in question. Where you fail to do this, the absence will be treated as unauthorised and therefore no Bursary payment for that week will be paid.

Absence for a full week and Exclusions

If students are absent for a full week they will not receive a Bursary payment, for that week regardless of the reason.

Excluded students will not be eligible for Bursary payments.

Appeals

If you wish to appeal against the non-payment of your weekly Bursary you must speak with the Director of Sixth Form.

If you would like to appeal against any decision, you may do so by writing a letter outlining your reasons to, the Head Teacher. Please be aware that any appeal will still be judged against the above conditions.
