Dear Parents / Carers

AS Biology Entry 2020

In consultation with the Headteacher Dr Smith, I have made the difficult decision today to withdraw our Year 12 students from their AS Biology examination this summer. I know for many of you this will be disappointing news but I genuinely feel it is in the best interests of our students here at Alderbrook Sixth Form.

In these uncertain times, I do not wish any Year 12 student to unnecessarily have additional worries related to their studies and grades on potential 2021 UCAS applications. Students should continue to follow the carefully planned resources and tasks that their Biology teachers will be providing for them on classcharts. In doing so, they will be giving themselves the very best opportunity to achieve well in the full Biology A Level next summer.

I wish you and your family well during this difficult time.

Yours faithfully

A handwritten signature in dark ink, appearing to read 'Anna CJ Allen', with a stylized flourish at the end.
