

Dear parents/ carers of Year 8

Mrs Wedgbury and I just wanted to send a message out to students of Year 8 and their parents/ carers during this unprecedented time. We hope everyone is keeping well.

We are both always immensely proud of Year 8 as a collective, never more so than during this period of dramatic disruption. The resilience of all the students and parents/carers we have communicated with has been nothing short of outstanding. It is clear that students in Year 8 have endeavoured to maintain structure and to ensure that they are accessing schoolwork as effectively as possible through Class Charts.

We want to reemphasise that the most important focus during this time should be staying healthy and safe. Doing what you can in the current circumstances and trying your best. If your child does require support with work or accessing Class Charts please contact the school and we will try to resolve as quickly as we can.

If you do have any concerns or require any assistance, then please contact Alderbrook Office at s201office@alderbrook.solihull.sch.uk and we will get back to you as soon as possible.

Finally, we both look forward to seeing Year 8 students back at school when it is safe to do so.

Many thanks,
Mr Hall and Mrs Wedgbury
