Dear Parents and Carers

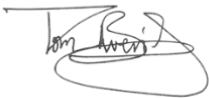

I have already sent out communication via email and video this week, so just a short update today.

You may have seen on the news in the last week that the government is encouraging all students who are vulnerable or have an EHCP, when appropriate, to attend school more often from this point onwards. If you feel your child falls into one of these categories and would like your child to attend school, please email 201office@alderbrook.solihull.sch.uk and someone will get back to you to make arrangements. Likewise, if you are a key worker and require provision, even if you haven't needed it up to this point, please email the same address and we will arrange this.

If you require your child to attend school during the half term week, Monday 25th-Friday 29th May, please inform us via email by Wednesday 20th May latest so we can make arrangements to close the site on any days childcare is not required.

Given government announcements over the last week and the protracted period of remote learning that we are asking the vast majority of students to engage in, we will continue to review the remote learning offer and get more information out on this in the days and weeks to come.

With very best wishes

Tom Beveridge
Headteacher
