8 June 2020

Dear Parents and Carers

Thank you very much for taking the time to complete the survey regarding our increased face-to-face sessions from 15th June. Your concerns and queries will be taken on board and we will endeavour to answer all of your questions. As you will appreciate, this will take time; we have staff in school on Wednesday to go through our protocols and then plan to send out detailed information to students, parents and carers of Years 10 and 12 on Thursday of this week.

We will send out this information even if you have indicated that your child will not be returning on 15th June. This is so we can ensure you all receive the detailed guidance in case you choose to send your child in later this term.

A number of you asked for the timings of the day in order to help you plan. Year 10 students will be on site from 9am to 12.30pm, and Year 12 will be on site from 1pm to 3pm. We understand that these timings may cause difficulties with transport if you are at work, however there are strict limits to the number of students who are allowed to be on the school site at any one time. In line with government recommendations, we are encouraging as many students as possible to walk or cycle to school. In the survey a number of you indicated you would be driving your child to school so can I please ask you to consider the drop off point for your child, which should be some distance from the main school gate to help us to manage the numbers and flow of children arriving.

Details of the days that students will be required to attend will be included in Thursday's communications together with a FAQ document. This information will include all aspects of your child's time in school including arrival processes, room they will be using and so on.

With best wishes

Tom Beveridge
Headteacher
