Alderbrook is acknowledged, both locally and nationally, as a high-performing school. In recent years The SSAT has recognised Alderbrook as being in the top 10% of schools nationally for Value Added Progress and results have remained very strong, particularly in the Core subjects.

- a **long established** record of low staff turnover - our staff love our school!

As part of your application, please share the reasons why your application should be considered and why you wish to work with the students here at Alderbrook.
