Dear Parents and Carers

I hope you and your families had an enjoyable Easter and that you have been enjoying the good weather we are having. As with every school year, the summer term is an extremely busy one at Alderbrook and we will endeavour to keep you updated on key developments throughout the term. It was confirmed over Easter that the guidance for students to wear face masks in classrooms will continue until at least 17 May, and I will inform you when any of the guidance changes.

Inset Day

As I outlined last term, we postponed our INSET day in March as we had only just returned to school after lockdown. We are going to hold this INSET day on **Friday 28 May**, therefore this half term will end for all students on **Thursday 27 May**. The school calendar has been updated.

Letter from Public Health

If you had not received the letter from Ruth Tennant, Director of Public Health in Solihull, regarding the return to school, I attach it here:

Consultation on proposed expansion

Thank you to all parents and carers who shared their views during the consultation period on the proposed expansion at Alderbrook. Although this consultation has now closed, there is an FAQ document on the school website which responds to the queries raised. I will update parents when there are further developments.

Yours faithfully

Tom Beveridge
