Subject	Subject Content Y11 January 2022 Formal Assessments
Art	A03 check- a recording exercise for drawing skills covering formal elements.
Business	Unit1 - The purpose of Business (all of it)
	Unit 2 - External Influences (all of it)
	Unit 6 - Finance (all of it)
	Unit 5 - Marketing Segmentation and market research only. Students all have a list of topics covered in each unit in their revision books.
Computer Science	The paper will be a full Component 2 paper. The topics covered include:
	2.1 Algorithms
	2.2 Programming Fundamentals
	2.3 Defensive Design, Errors and Testing
	2.4 Boolean logic diagrams
	2.5 Types of programming languages and IDEs
Dance	A comprehensive list of resources will be released before the end of term.
Dance	All performance and choreography skills Health and Safety for a dancer
	Reflection on research carried out for choreography, mental skills in set phrase and physical skills in duet/trio performance
	Anthology: Artificial Things and Emancipation of Expressionism. Shadows. A Linha Curva.
Design and Technology	Energy sources and energy storage systems
	Planned obsolescence
	Smart materials
	Identifying fabric construction
	Technology push and pull
	Mechanisms (cam, gear, lever, pulley)
	Material property key words
	Metals Composite materials
	Systems approach to designing Manufacturing processes
	Social and environmental issues
	Social and enution methods Production methods
	Choose a company to research from Alessi, Apple or Under Armour
	2 point perspective drawing
	How to minimise waste when making products
	How to 'form' materials (how to shape them when making prototypes)
Drama	Component 2 Devising Theatre-Written Coursework and Practical Performance Exam.
	Component 1 Understanding Drama- All 3 Sections of this written exam.
Engineering	metals 6rs
	smart materials
	anthropometrics
	ergonomics
	design cycle
	target market
	aesthetics
	durability
	maintenance
	production methods
	cadcam
	characteristics of materials
	environmental symbols
	manufacturing methods
	stock form/standard components
	health and safety
	iconic design
	materials
	industry and enterprise
	forces and stress
	design brief
	specification/accessfmm
	error proofing
	tolerance
	planned obsolesce/end of life legislation
English Language	English Language Paper 1 content - 50% of Language overall
Food Preparation and Nutrition	Food, Nutrition and Health: Healthy Eating / The Eatwell Guide
	Food, Nutrition and Health: Functions of micronutrients
	Food, Nutrition and Health: Diabetes
	Food Science: Cooking food, chemical change, nutritional value
	Food Science: Denaturation of proteins
	Food Science: Coagulation Food Science: Enzymic browning
	rood science, Enzymic browning
	Factors Affecting Food Choice: Food Jahols
	Factors Affecting Food Choice: Food labels
	Factors Affecting Food Choice: Sensory evaluation
	Factors Affecting Food Choice: Sensory evaluation Food Processing and Production: Fortification Food Provenance: Food waste
French	Factors Affecting Food Choice: Sensory evaluation Food Processing and Production: Fortification Food Provenance: Food waste There will be elements from all three Themes in the exam. Pupils should refer to their preparation for the speaking exam to familiarise themselves w

	Factors Affecting Food Choice: Sensory evaluation Food Processing and Production: Fortification Food Provenance: Food waste There will be elements from all three Themes in the exam. Pupils should refer to their preparation for the speaking exam to familiarise themselves w main topics in each Theme. Living World topic - ecosystems and food webs / characteristics and human effects in the rainforest / animal and plant adaptations / cold environme risk. UK Physical landscapes - processes and features at the coast / hard and soft engineering management of the coast / long profile of a river and it characteristics and features of erosion and deposition / soft engineering strategies on a river. Resource management - global food patterns and impacts / managing UK water supplies / global water security, surplus and deficit / large scale w

Subject	Subject Content Y11 January 2022 Formal Assessments
History	America 1920 - 1973 Conflict and Tension 1918 - 1939
NA 11	Britain Health and the People
Maths	Algebra Solving equations
	Algebraic substitution
	Rearranging formulae Numerical definitions (Identity, Expression, Equation etc.)
	Solving and factorising quadratics
	Straight line graph equations
	Speed Distance Time Quadratic Graphs
	Reciprocal graphs
	Collecting terms Expanding brackets
	Expanding double brackets
	Coordinate problems
	Simultaneous equations Sequences
	Column Vectors
	Number Fraction, Decimal, Percentage Conversions
	Inequalities
	Dividing in a given ratio long division
	Fractions of quantities
	Money problems in context
	Standard Form Comparing proportions
	Work rates
	Percentage profit Directed Numbers
	Directed numbers Primes, Factors, Multiples
	Equivalent fractions
	Multiplying and dividing with decimals Laws of indices
	Simple interest
	Percentage increase/Decrease
	Lowest Common Multiple problems BIDMAS
	Money Conversions
	Proportion recipe Shape , space and measures
	Transformations of Shapes
	Volumes of Prisms
	Map Scales Pythagoras
	Loci and constructions
	Area in context Unit Conversions
	Properties of shapes
	Areas of sectors
	Plans and elevations Trigonometry
	Density Mass Volume
	Stats and Probability
	Bar Charts Probability Scales
	Venn diagrams
	Probability Tables Sample Space diagrams
	Tree Diagrams
	Averages and the range
	Basic probability of events Scatter Graphs
	'
Media	Component 1, section A- Media Language and Representation (Quality Street advert, This Girl Can advert, Man with the Golden Gun film poster, Pride and GO)
	Component 2, section B Music Video and websites (Taylor Swift-Bad Blood, Pharrell Williams- Freedom, TLC- Waterfalls)
Music	The Music Industry Venues, employment, labels, job roles and responsibilities, agencies, trade bodies, unions, organisations within the industry including music publishing,
	promotion, marketing, hire and transport companies.
PE GCSE	Applied anatomy and physiology
	Movement analysis Physical training
	Use of data
	Sports psychology Socio-cultural influences
	Health, fitness and well-being
Photography	A02- development of ideas to then realise intentions- focus area.
RE Science	Christian Beliefs and Islamic Beliefs Biology
00101100	B1: cell Biology
	B2: organisation
