## Aims

- 1 Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:
  - Increase the extent to which disabled pupils can participate in the curriculum
  - Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
  - Improve the availability of accessible information to disabled pupils
- 2 At Alderbrook, we are committed to offering an inclusive curriculum to ensure the best possible progress for all of our students whatever their needs or abilities.
- 3 Alderbrook values the contribution that every student can make and welcomes the diversity of culture, religion and intellectual style. The school seeks to raise achievement of the whole community, remove barriers to learning and provide physical and curricular access for all.
- 4 As such, provision for students with SEND is a matter for the school as a whole. All teachers are teachers of students with SEND. The Trustees, Headteacher, SENCO and all other members of staff have important responsibilities.
- 5 The plan will be made available online on the school website, and paper copies are available upon request.
- 6 Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.
- 7 The school supports any available partnerships to develop and implement the plan.
- 8 Our school's complaints procedure covers the accessibility plan. If you have any concerns relating to accessibility in school, the complaints procedure sets out the process for raising these concerns.
- 9 We have included a range of stakeholders in the development of this accessibility plan, including staff, trustees and parents/carers.

## Legislation and guidance

- 10 This document meets the requirements of schedule 10 of the Equality Act 2010 and the Department for Education (DfE) guidance for schools on the Equality Act 2010.
- 11 The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.
- 12 Under the Special Educational Needs and Disability (SEND) Code of Practice, 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.
- 13 Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises.
- 14 This policy complies with our funding agreement and articles of association.

## Action plan

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.

<b>Aim</b>	<b>Objectives</b> What is to be achieved and by when?	<b>Actions to be taken</b> What needs to be done to reach the objective and by whom?	<b>Performance Criteria</b> How will we know when we've got there?	<b>Monitoring / Evidence /Evaluation</b> What will be our evidence? By whom and when will the evidence be scrutinized? By whom, when and how will impact be evaluated?
<b>Increase access to the curriculum for pupils with a disability</b>	Whole school focus on ensuring students with SEND are high priority, along with all other vulnerable students.	Headteacher and SENCo to reinforce SEND students as high priority to all staff	Students with SEND to be recognised as priority students along with PP.	All staff to ensure SEND students are a priority in all aspects of school life
	Workshops for students and parents on how to support their child with entitlement to access arrangements (BAM)	BAM to calendar workshops for parents and students and evaluate impact of these.	Parents and students will feel confident in knowing what access arrangements are and how best to support their child.	Questionnaires to collate responses to workshops and impact on assessments and examinations. Teachers and SSAs to feedback to BAM on how students are using their access arrangements.
	Introduce Inclusion Partners in each faculty to ensure focus on students with SEND and PP students	SEND representatives from each faculty to be appointed. Aim is to ensure SEND is whole school and a priority for all members of each team.	Staff from all areas of the curriculum to feel involved and included in how we improve our provision for students with SEND	Information given to Inclusion partners to be communicated to staff during staff meetings. Improvements can be implemented and progress monitored during lesson observations, work scrutiny, pupil voice, feedback from parents and staff.
