Dear Parents and Carers

Outcome of recent Ofsted Inspection

Following the ungraded inspection on 25th and 26th April, we have now received our Ofsted report which you can view [here](#).

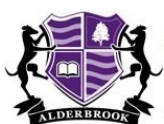

I am delighted to share with you that Alderbrook has remained a 'Good' school.

During the inspection, inspectors spent time observing lessons, reviewing students' work, speaking with staff, students and trustees, and assessing our overall provision. We are pleased that our continuing focus on a broad and inclusive curriculum has been recognised, as has our unerring focus on our students' personal development and mental health. The suggested areas for future focus are fair and achievable, and already areas of work in progress.

We are extremely proud of our students for their conduct and behaviour throughout the Ofsted visit and you will see in the report that the Inspection team, who spoke to many students throughout their time with us, have noted that the students feel safe and happy at Alderbrook and that behaviour in lessons and around school is considered to be good.

I have always been humbled by how staff at Alderbrook work together and always with the best outcome possible for each student at the core of all they do. Never was this demonstrated more than during the Ofsted inspection and myself, the Leadership Team and Trustees consider ourselves fortunate to have such a strong and inspirational body of staff at our school supporting your children.

I would like to take this opportunity to thank you, our parents and carers. Thank you if you completed our parental survey for Ofsted – we always welcome feedback throughout the year and it was very helpful for Ofsted to see your views and thoughts. Thank you also for your continued support whilst your child is with us at school; a cohesive and supportive relationship between school and home is a vital part of how your child progresses and develops with us.

This session will be from 5.00 – 6.00 pm for Parents and Carers only, in Cartwright Hall. It will start with a short presentation, followed by an opportunity for questions.
