Dear Parents and Carers

Please find attached a letter [here](#) from West Midlands Police about the importance of children staying away from vacant or disused sites and buildings.

Whilst writing, a reminder please to talk to your child about their own personal safety. Although Solihull is a safe place to live, there has been an increase in crimes where young people are targeted for expensive items such as phones, bags and bikes. The best advice to give your child is to keep items such as these out of sight, to avoid being on their own in isolated areas such as parks and to not interact with strangers.

Best wishes
