Important SEND survey for parent carers and children and young people

We have been asked by Solihull Council to share the links below so that parents and carers and children and young people will be able to give their thoughts on SEND in Solihull and inform the Council's additional needs strategy review.

Assessments

It has been a busy assessment period in school and this continues until the end of term. Year 13 have just completed their mock examinations and I hope these have gone well for the students. Year 7 assessments start on Monday and Year 9 and 12 assessments start on 11th December. All of these assessments will be taking place in normal lesson time. Parents/carers have been emailed the topic lists for these exams, and these lists are also available on our website. Good luck to all of our students preparing for forthcoming assessments.
