

Registering an account to access SIMS Student

Students will receive an invite to register to use sims student, the software we use to collect student option choices.

Once this invite is received, an account can be registered by using your school email account. **Students should not register using any other method.**

How do I register using my school email account?

1. To avoid accidentally registering with the wrong account (especially if you are working on a shared computer), sign out of all accounts or use a private browser
2. Click the green **Accept Invitation** button in the invitation email from noreply@sims.co.uk. If you cannot find this email, please check your spam/junk folder

You're invited to start using SIMS Parent to manage your child's personal details at GreenAis. If enabled by the school, you can also view child's attendance, school reports, homework assignments and more.

Simply accept this invitation and register within 60 days.
