Teacher of Girls' PE

We are keen to appoint a highly motivated and inspirational Teacher of Girls' PE who is, or has the capacity to become, an excellent teacher. The candidate should have the ability to deliver PE at KS3 and KS4 and aspire to teach at KS5. We are looking for someone who is passionate about inspiring students through their own love of physical activity and sport. Therefore, we welcome applications from ECTs as well as more experienced teachers looking to join a thriving and collaborative department in a highly successful school.

Alderbrook is acknowledged, both locally and nationally, as a high-performing school. Surprisingly however, we pride ourselves in being about so much more than outstanding results. We are a community in every sense of the word.

We are looking for a colleague who:

- is passionate about PE and sport
- is committed to developing independent, confident learners
- is committed to inclusive education
- can sustain high quality teaching and learning
- demonstrates energy, creativity and commitment
- is willing to actively contribute to all aspects of school life, including our rich and diverse extra-curricular and enrichment programme

We are proud to offer:

- **interesting, engaging, enthusiastic** students who want to learn
- **a supportive and inclusive** staff and governing body
- a hugely **successful, ambitious** school - determined to build on the standards we currently achieve
- **consistently** high GCSE and A Level results
- a **proven track record** in - and full commitment to - the professional development of colleagues
- a happy working environment where **staff wellbeing** is prioritised
- a **well-resourced** school with extensive grounds
- a **long established** record of low staff turnover. What does that tell you?

As part of your application, please share the reasons why your application should be considered and why you wish to work with the students here at Alderbrook.

Applications are also available from the school website or from Mrs Anna Whittington at the school by email.
