Headteacher: Tom Beveridge

Teacher of Maths

We are keen to appoint a highly motivated, well-qualified and inspirational Teacher of Maths who is, or has the capacity to become, an outstanding teacher. The candidate should have the ability to deliver Maths at KS3 and KS4. This role may be of particular interest to an ECT, looking for a welcoming, stable school in which to begin their career.

Over recent years, our Maths department has firmly established itself as the highest performing in Solihull Borough – an accolade that we are rightly proud of and which no doubt accounts for the enormous popularity of Maths in our Sixth Form.

Alderbrook is acknowledged, both locally and nationally, as a high-performing school. In recent years, the SSAT has recognised Alderbrook as being in the top 10% of schools nationally for Value Added Progress and results have remained very strong, particularly in the Core subjects.

Surprisingly however, we pride ourselves in being about so much more than outstanding results. We are a community in every sense of the word.

We are looking for a colleague who:

- is passionate about developing independent, confident learners
- is committed to inclusive education
- can sustain high quality teaching and learning
- demonstrates energy, creativity and commitment
- is willing to actively contribute to all aspects of school life

We are proud to offer:

- **interesting, engaging, enthusiastic** students who want to learn
- **a supportive and inclusive** staff and governing body
- a hugely **successful, ambitious** school - determined to build on the standards we currently achieve
- **consistently** high GCSE results

- a **proven track record** in - and full commitment to - the professional development of colleagues
- a **well-resourced** school with extensive grounds
- a **long established** record of low staff turnover. What does that tell you?

As part of your application, please share the reasons why your application should be considered and why you wish to work with the students here at Alderbrook.

Applications are also available from Mrs Anna Whittington at the school, by email or phone.
