Dear Parents/Carers

Annual Parent/Carer survey – a reminder please!

Please find below a link to our annual Parent/Carer survey. This will only take a few minutes to complete and provides us with your voice; invaluable when considering and shaping future strategies across our school. Please note that there are 23 questions and the form will continue once you have reached the last question on each page. **We would be grateful if you could complete this by no later than Friday 4 July.**

Autumn Term Trips

As you know, we will be running trips at the start of the Autumn Term, for those students in Years 8, 9 and 10 who were in the winning houses following the conclusion of the 2024/2025 House Championship. The House Championships are decided by a range of extra curricular and internal house events, both subject based and sporting over the course of the year.

A huge amount of time and effort has been invested by members of staff in creating and organising these events for our students, who have obviously enjoyed taking part.

For those students in the winning houses, letters will be sent at the end of term.

We have also purchased a number of surplus tickets for those students who have also made a significant contribution to the House Championships and Wider School Community this year. These "Golden Tickets" will be awarded on a sliding scale of high credits, low debits - with priority given to those students awarded credits for House/Extra Curricular commitment. This will ensure that students who have contributed consistently, but not "won" are still recognised. "Golden Ticket" winners will change each year, so that all students contributing to our House system have the opportunity to be invited.

Tariff prices for in-house catering – September 25

Please find information below from Impact Food Group regarding a price increase to our on-site food provision effective from September 2025.
